### **Pre Enrollment Information for Estheticians**

One of the fastest growing fields in cosmetology is Esthetics. The word Esthetic means the “art of making something beautiful”, as an esthetician skin is our welcomed challenge, it is the largest and most complex organ of our body the skin. The demand for well qualified estheticians exceeds the supply, as a successful graduate from Ensynergy Southeastern School of Esthetics we prepare you to excel. As a first year esthetician you can expect to earn within your market between \$25,000- \$35,000 plus your gratuity. Compensation can be on commissions, hourly or both plus retail commissions. As you develop your skills, talents and knowledge you can continue to become even more successful in not just working at a spa but there are numerous job opportunities as an Esthetician: Spa Owner, Make up Artist, School Owner, Sales Representative for a Cosmetic / Skin Care Company, Educator / Instructor, Medical Esthetician (\* Post Graduate certification or medical background will be needed)

**The program is divided into two areas: Taught in English**

**Pre Clinic Freshman-** 250 clock hours - Professional Ethics, Sciences, Business Practices, Spa /Salon Management, Facials

**Clinic Seniors-** Clinic seniors 750 clock hours - Introduction to the Clinic & Salon, Advanced Procedures, Use of Machines, Ethics, Make up Applications, Body Treatments, Hair Removal,

### **Professional Ethics - 20 clock hours**

The student will be provided with instruction and information that promotes and generates a positive self esteem and a positive attitude towards the profession and their place in it. Learning the working knowledge of Esthetics as a business entity as well as being prepared to enter the world of Esthetics employment.

### **Sciences - 320 clock hours**

The Students gains a theoretical understanding of the physiology / histology of the skin. Also determines treatment directives, and how specific treatments affect the skin. The student is instructed to understand the purpose of performing various treatment modalities and understanding the usage of products and ingredients.

### **Business Practices - 80 clock hours**

To acquire and apply sound business practices that will encourage professionalism and enhance earning potential. To become knowledgeable of the rules and regulations that governs their profession

### **Spa / Salon Management - 75 clock hours**

To be able to apply principles of management, marketing and customer service in building and maintaining a client and associate base that contributes to the profitability of a salon. Subjects include: Customer Service, front desk reception, business management, managerial responsibilities, client retention and tracking and marketing.

### **Professional Practices – 150 clock hours**

The student will be able to understand bacteriology, sterilization and proper sanitation to protect the health of the public and oneself.

## **Facials- 115 hours**

Basic facials performed based on skin analysis that will include cleansing, toning, massaging, towel steaming, applying masques, and moisturizing. Advanced facials will incorporate the use of chemicals such as glycolic acid. Theoretical and practical use of electrical apparatus will be covered upon mastery of other facial procedures such as microdermabrasion.

## **Body Treatments - 75 hours**

Massage manipulations and techniques that are used in esthetics that also include the hands and feet and back, by incorporating body wraps, cellulite treatments, detoxification, aromatherapy (theoretical and practical use of essential oils to enhance services) and reflexology.

## **Make-up applications - 90 hours**

The theory of color will be taught in preparation of selection and application of Cosmetics.

## **Hair Removal - 75 hours**

Theory of hair removal and removal techniques on includes: lip, chin, face, arching and the body including the use of hard and soft wax. This also includes 5 clock hours of lash and brow tinting.

**Advanced Procedures** – One incorporates basic theoretical and practical principles of knowledge with advanced procedures inclusive of skin analysis using various electrical apparatuses, chemistry of products used in advanced skin care, such as serums and botanical solutions, medical esthetics (patient psychology, medical terminology and charting, pre and post operative therapy) and clinical sanitation and sterilization. Galvanic current, high frequency, micro current and various uses of electrical apparatus are also covered.

As an Esthetician you require lots of physical movement's: proper ergonomics and body mechanics is necessary to preserve the health of your body. While more than 50% of your time is spent standing, your hands are your tools so proper care of your hands, sitting, standing and lifting techniques are encouraged.

Public health and safety is impressed upon as we have to preserve the health of the public. All safety requirements such as Universal Precautions and OSHA rules and regulations are enforced.

## **Georgia State Licensing Requirements**

### **Esthetician License**

In order to become a licensed Esthetician in the State of Georgia, the following requirements must be fulfilled:

1. Upon completion of your Esthetic program you must submit your Schedule & Request Form Application (SRF) to: D.L. Roope Administrations. All applications must be accompanied by a copy of your High School Diploma with \$89.00 non refundable Application Fee and two passport photos for the Written and Practical Exam. Diplomas from correspondence Schools are not accepted- All diplomas must be translated into English by a board approved translator. Must have either a GA,FL,AL,NC,SC or TN drivers license or state issued ID upon graduation.
2. After obtaining a passing score on both the written and practical portion of the examination, a candidate must submit an application for Licensing to the Georgia State Board of Cosmetology with a \$30 non refundable fee. You may obtain a copy of the Cosmetology Application for Licensing at [www.sos.state.ga.us](http://www.sos.state.ga.us) . Please be reminded that passing the written and practical exam does not guarantee licensing. All criminal convictions and any board sanctions must be reviewed by the Board as a consideration for Licensing.

Thank you for your interest in our Esthetic Program we look forward to serving your Education needs in one of the most growing fields of our time.

**Yours truly,  
Marsha Dube' Charles & Petra Ellington**
